

Week 9—The Fight

1 Peter 2:9-12

What kind of war or fight or struggle is Peter describing here? How do you see this in your own life?

Romans 8:31-39

What do we learn here about the role God plays in our lives in our struggle against sin?

How can that struggle even help us to develop a deeper relationship with God?

Galatians 5:13-26

How can you tell if one is winning the battle against the world, the flesh and the devil?

The battle must be seen not as just AGAINST something but FOR something that is good and healthy and flourishing.

Talk about how you want to see fruit of the Spirit show up in your life. Discuss each element in the fruit: love, joy, peace, etc.

What does it mean that this is the *fruit of the Spirit*?

Pray together.
