

Week 2—Authority

This week we are focused on what messages or ideas we will listen to and hold on to and obey.

John 8:31-32

Now that you have decided to make Jesus the Lord of your life, what does that mean about how you will use his words?

2 Timothy 3:16-17

What does it mean to allow the Scriptures to be the authority in our lives and not our feelings or traditions?

In situations not directly addressed by Jesus or the Scriptures, how do we still need to let Jesus and the Scriptures guide our decisions? How does our overall attitude need to be shaped by God's word?

James 2:22-25

Why did you think that James, who was the brother of Jesus, even needs to write something like this?

2 Timothy 2:15

What will be the best way for you to have consistent time growing in your knowledge of God's word?

Pray together.
